ASMIN Order 2nd Notice

May 24, 2024

BETWEEN:

ASMIN Community

v.

Sabina Devita

You are hereby given 2nd notice of my order to produce authenticated proof of Aboriginal descent from at least 6 generations back, certified under oath.

- 1.) In accordance with Aboriginal customs and traditions a minimum of three Aboriginal individuals are required to establish an Aboriginal Tribunal. Unless so proven, the AIN Tribunal is null and void, *ab initio*.
- 2.) All AIN Orders must be reviewed and upheld by an assisting Aboriginal Tribunal.

You are hereby ordered to turn over all passwords, webpages and their contents, any historical records, card printing machines, full community email lists, all members' records, and adoption certificate information.

You are also ordered to return any intellectual property of the ASMIN Nation and Grand Chief Wabiska.

- 1.) Askit was formed by combining the names **ASMIN**, **Kinakwii**, and **Tribunal**.
- 2.) Grand Chief Wabiska is the Chief Justice of Askit.
- 3.) Askit is alleged to be the legal arm of ASMIN. Those joining ASMIN did so through Askit4equity.com, thus funneling ASMIN funds away from the ASMIN Nation.

You have 5 days to respond to this order, failure to present this proof is an admission that you have no Aboriginal descent.

Miigwech,

G.C. Wabiska Mukwa

Grand Chief Wabiska Mukwa
