Public Order

Sabina M. DeVita, you have failed to produce proof of Aboriginal bloodline descendency, with the birth/dead records for six generations, as requested, to validate your roles in any Aboriginal community.

Grand Chief Wabiska Mukwa, owner of the ASMIN Corporation and bloodline, again orders you to immediately relinquish all records/materials, walk away from, and cease all involvement relating to ASMIN, as you were previously ordered on April 9, 2024.

Producing the proof of descendency, as stated above, may facilitate reinstatement in a year.

Until then, you no longer have a recognized affiliation with ASMIN.

I hereby certify this is a true
copy of the original order
